Indigestion Loss of Strength And Appetite.

The testimony of Mr. R. Dennis, Adelaide, South Australia, who was cured by Ayer's Sarsaparilla, is like unto that of many thousands of others. He writes:

"It is with very much pleasure that I testify to the great benefit I received from using your wonderful blood-purifier. I was a sufferer for years from indigestion, loss of strength and appetite, and constipation. My whole system seemed to be thoroughly out of order. A friend finally told me to take Ayer's Sarsaparilla. I followed his advice, though feeling discouraged at the fruitless results of other treatment, and I am thankful to state that a few bottles completely cured me."

The medicine that has cured others will cure you.

LATEST NEWS FROM HILO

REMARKABLE YIELD OF COFFEE
IN OLAA DISTRICT.

Parcels of Reed's Island—Plumber Brown has an Accident—Home-stands in Puna and Olaa.

The Lyman D. Foster has been chartered on the Sound to load 1,000,000 feet of lumber for Hackfeld & Co. Mrs. A. B. Lockenstein is suffering from a serious attack of illness. She was stricken suddenly last week and her condition was such as to warrant her father, Hon. D. H. Hitchcock, coming in from his Olaa plantation.

Mrs. Payson Caldwell is expected to return to the islands before the first of the new year. Miss Little, daughter of Colonel Gilbert Little, may be a passenger at the same time.

W. H. Smith, who, for the past six or eight months has officiated as editor and manager of the Herald, severed his connection with the paper with its last issue. J. T. Stacker, lately of the Advertiser, is now in charge.

C. G. Campbell, manager of the Hilo branch of the Wall, Nichols Co., has received advices to the effect that his goods left San Francisco on the Roderick ship, October 31st. He expects to open the store in the Masonic building early in December. In the meantime he is having the store neatly fitted with counters and shelving.

The roads running out of Hilo will compare favorably with those of Oahu, so far as completed. Charles Crozier, who came up on the last Kinau, left on his wheel last Monday for a ride to Paavahau. This he can do in comfort, so far as the roads are concerned, except between Honohina and Laupahoehoe.

C. S. Desky of Honolulu has purchased Reed's Island, and will immediately begin to improve it. His intention is to bridge Wailuku gulch, and run a boulevard around the island. It will then be divided up into residence sites.

A gentleman whose veracity assays 999 per cent fine, came in from Olaa and reported having seen men picking coffee on Hoshino's place. The yield from four trees, when pulped, weighed 31 pounds. And this is only a trifle above the average.

V. M. Fulcher, for some time associated with the Olaa store and Mountain View hotel has severed his connection with the former, and will in future devote his time to his coffee estate and the hotel. Mr. Fulcher's plantation is in excellent condition.

Work is progressing on the Radcliff-Humbert residence at Reed's Bay. These gentlemen will occupy the new premises on occasions when they can get a day or two's vacation from business.

Soon after Professor Koehle's return from Mexico he will be dispatched to Hilo with enemies for the Japanese beetle.

There will be a sale of Puna and Olaa homesteads at the office of Surveyor Baldwin on November 20th at 12 o'clock noon.

There was a particularly enjoyable social at the Foreign church last Tuesday evening, the occasion being a welcome home to C. C. Kennedy.

Charles H. Brown, the plumber, had his hand injured over at Papai-kou.

IS IT ANOTHER MURDER?

Japanese Found in a Deplorable Condition at Lahaina.

Just before the Helene left Lahaina, Maui, Saturday evening, a Japanese was found lying on the veranda of one of Makahiki houses with his head all bloody and very weak. A Star correspondent writes: "One report is that a countryman of his struck him over the head with a lantern. He is being carried down to the doctor's office on a stretcher. It is not known yet whether he will die or not."

EXCEEDED THEIR EXPECTATION.

George Rodiek, the Hilo manager of Hackfeld & Co., who was in Honolulu last week to consult with the firm regarding a successor to Mr. Fulcher, at the Mountain View store and on other matters pertaining to the Hilo business, stated that the Hilo trade had advanced far beyond their expectations and that already they were planning for extended accommodations.

HOW TO CURE BILIOUS COLIC.

I suffered for weeks with colic and pain in my stomach caused by biliousness and had to take medicine all the while until I used Chamberlain's Colic, Cholera and Diarrhoea Remedy which cured me. I have since recommended it to a good many people. Mrs. P. Butler, Fairhaven, Conn. Persons who are subject to bilious colic can ward off the attack by taking this remedy as soon as the first symptoms appear. Sold by all druggists and dealers. A LITTLE CAKE TALK.

Cake is cake; yes, sir; just as water is water. Some is good; some very good; some past description—bad. Some cakes you buy are made in an indifferent manner, of poor material and flavored with what? You can taste the Asiatic maker and his cigar or cigarette at the first bite. Why not buy a good article from a clean, well conducted shop, where tobacco is never used and where cleanliness is practiced to an extent almost unknown in the average bakery. We will make you a layer cake from 50 cents up, tastefully ornamented, and guaranteed good to eat. Our ginger snaps and ginger bread are selling like hot cakes. Have you tried them yet? Yours,

Worth It.

Edwin Forrest, the renowned tragedian, was showing a "super" how to do a small part, and at last exclaimed, in despair: "Can't you do it as I do?" "No," said the super, "if I could, do you suppose I would be working for five dollars a week?" This illustrates the trouble with the low prices of many articles of furniture. If they were well made do you think they would be offered at kindling wood prices?

It is our desire to offer you goods at prices that are consistent with the quality, and we take pride in scouring the Eastern markets for the

BEST UP-TO-DATE FURNITURE

made to give service and keep their new look, at prices that meet with popular favor by those who know and appreciate a good article.

It is the intention to carry everything in the Furniture line that the public needs, whether in Plain or Handsomely Ornamented Goods.
